Notice of Allowance or an action that otherwise closes prosecution in the application.

The undersigned hereby states that each item of information contained in this statement was first cited in any communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this statement.

The undersigned also hereby states that the information contained in this information disclosure statement was not received by any individual designated in 37 C.F.R. § 1.56(c) more than thirty days prior to the filing of this statement.

No explanation of the relevance of document UA is believed to be required under 37 C.F.R. §1.98 because the document is in English. Please note that document UA is a corresponding patent publication to EP 0 522 758 which was cited in the International Search Report and Office Action dated March 21, 2003, in the present application.

Document FA is not in English. However, it has an English language counterpart, U.S. Patent No. 6,124,020. For the convenience of the Office, applicants submit herewith a copy of the English language counterpart of document FA. The concise explanation of the relevance of document FA required under 37 C.F.R. §1.98 is believed to be satisfied thereby.
